

A Greener Alternative to the Ordinary!

WYN-slide eco-thin

The new **Wyn-Slide: Eco-Thin** is a **Greener** alternative to the ordinary!

The new Wyn-Slide: Eco-Thin is a **Greener** alternative to the ordinary paper and plastic DVD package because it doesn't rely on any plastic components. The Wyn-Slide: Eco-Thin is completely made of paper and is 100% recyclable. Even the DVD tray and anti-theft security feature are made of paper!

Possibly the most feature filled environmentally friendly DVD package on the market.

Features:

- Can be made of 100% recycled paper & is 100% recyclable
- 1/4 inch profile
- Bottom loading tray with anti-theft security feature
- 5 sided graphics
- Retail friendly spine barcode
- Cost saving

Wyn-Slide: Eco-Thin
